

make your home business look more professional

All these facilities are right on your doorstep

Virtual Office Hire

Use FunkBunk as your postal address for your business. Take advantage of our professional telephone answering service and present a more professional front of house to your clients.

Meeting Room Hire

FunkBunk's 10 delegate meeting room is the ideal place to meet with your clients and conduct your presentations. Rent it by the hour as and when you need it and have your customers come to you.

Desk Hire

Whether you require a permanent base for your business or just need to get away from the house to work alongside other people, FunkBunk has desks available to rent in our high spec open plan studio. Various month by month packages are available.

Free broadband usage, free parking and free tea and coffee are available to all visitors and residents to FunkBunk.

Established two years ago and placed between Wing and Cublington, FunkBunk is a professional facility designed to help you focus on your work, ideas and productivity in a friendly environment.
